tary Affilirs, reported back the carcillment bill this morning.

We are enabled to state, upon the very highest authority, that Gen. Grant has within a few days formally, peremptorily, and in the most decisive terms rejected direct offers made to him lately by leading Democratic politicians to secure his nomination for the Presidency by their National Convention. The old regiments are returning from their thirty days' visits to their homes with an average of 180 new recruits each.

Very near one hundred and ten thousand new recruits have been formally smattered into the service since the lat of November last; The pay of the following Quantity of the fol

The steamer Lady Franklin, from Memphis, bound for Chedunati, passed here to-day, with nearly sight hundred bales of coiton.
Camo, Feb. 14.—Gen. Sherman's headquarters, as reported, were at Jackson on the 7th. He has since been head of at Brandon.
Gen. G. W. Smith's cavalry expedition left. Memphis on the 11th inst., in the direction of Codar Valley.

The entire line of the Memphis & Charles ion. Railread was vesseled by our forces on the 13th, it having been held for the past six months merely to aid Gen. Smith's cavalry expedition and get a good start.

Gen. Sherman considers holding a garrison on the road has been a source of weakness to the United States. He does not favor guarding railroads unless they are of vital importing railroads and control of the control of very guarding railroads unless they are of vital importing the control of the c Abundant, and could be used with diffic sums at \$ \$ cent; in most cases ? \$ cen

109. This is certainly sweeping enough, and would care every copperhead who was drefited from the conscription, as of coarse they are all opposed to the war, as set forth in the amendment. But I like to see a man true to his colors, the Wood. He stands up to the rack, while color copperheads like his teasurement. But I like to see a man true to his colors, the Wood. He stands up to the rack, while color copperheads like his essewardly crew from fillmels enesk into their own principles.

See the control of the control of the fact, that, so far as Natches is concerned, the rebel organ of the check is concerned, the rebel organ of the stands up to find out for the information of the Tamuss, just how much truth the paper alluded to has chanced to place in the cell in the elucidation of the fact, that, so far as Natches is concerned, the rebel organ of the stincts, and only given uttermed to list regarding the men it has endeavored to allue and slander. In so far as it has been consistent, perhaps the organ should be applianced. But no further. It at attacks upon honest and loyal men cannot be too severely consumed.

The state of the control of the cont
